## CONSERVATION

### Be a Conservation Hero

Join Disney in supporting efforts for wildlife around the world by contributing where you see the Disney Worldwide Conservation Fund symbol.

### We Can All Make a Difference

We share our world with billions of other creatures, so our actions have a far-reaching impact. At Disney's Animal Kingdom Theme Park, veterinarians, animal keepers, educators and Cast Members search for new and exciting ways to keep the planet healthy for all its inhabitants. You can help the conservation effort, too:

- Reuse and recycle whenever possible.
- Create habitats for wildlife in your own backyard.
- Support conservation organizations through contributions and volunteerism.

### Please do not feed the animals or throw objects (including coins) into the water.

All the animals you'll meet throughout Disney's Animal Kingdom Theme Park are on a nutritionally balanced diet, and any food that's not in their normal diet could be harmful. Please help keep our waterways clean and pure for the animals. We, and the animals, thank you.
